

We are very excited to continue to use *flockNote*!

To become a member of *flockNote*,

Why we chose *flockNote*?

FlockNote is a protocol friendly way to communicate with our students that participate in Antioch.

E-mail is just not fast enough and we have found that many of our students do not check their e-mail account on a regular basis. Texting is the fastest way to get a message to our students and it is hard to figure out how each student and family has chosen to use these communication devices. Here is where *flockNote* comes in. You have control of how you would like to receive info and it takes all of the guesswork out for us. You just text to sign up and you will get a text back with a link to give us the information we need to communicate with you. All important information that I will send will come through *flockNote*. *FlockNote* becomes the third party. In other words, it will be like sending a flyer home.

FlockNote will also be the fastest and quickest way for you to hear about Antioch cancellations throughout the year. Sign-up today!!

In His Service,

Louis Paiz

Note: Students will have the ability to send me a direct message (Only on the *flockNote* site). I will NOT be sending or responding to direct messages from high school students in order to comply with the protocol guidelines for the Diocese of Lafayette-in-Indiana.

Parents are welcome to join our Antioch feed as well!
