

Drive-in Communion for the Homebound and At Risk Sundays at 12:15 p.m.

Since March of this year, many of our parishioners who are at risk for COVID-19 have been unable to safely attend Mass in person, and many have not received Holy Communion for months.

In an effort to better serve these parishioners, beginning this Sunday, October 11, we will offer a contact-less, drive-in distribution of Holy Communion for those at risk.

Here's how it will work:

- **Please attend Mass online by streaming our 11 a.m. Mass.**
www.facebook.com/OLMCI/videos (you do not need a Facebook account to view)
- The Communion distribution is a continuation of the Mass you view. Your Communion procession simply begins at home instead of from your pew.
- Distribution of Communion will begin at 12:15 p.m., so please time your arrival at church accordingly.
- Enter by the 146th Street entrance; turn right to drive around the back of the gym and school to receive Communion near the school playground (see map). The Knights of Columbus will be there to direct traffic.
- When you approach the Communion station, please put your car in park, roll down your window(s), and extend your hands to receive Holy Communion. The Priest and Ministers will disinfect hands between each car.
- Then, please carefully exit onto Oak Ridge Road.
